

# Residential Central Air Conditioning Plans

## Spring Starter

### We Perform These Services:

- Replace Air Filters (Standard Fiberglass)
- Check System Pressures
- Add up to 2 lbs. Refrigerant
- Clean Electrical Contacts
- Lubricate Motors
- Check System Operation

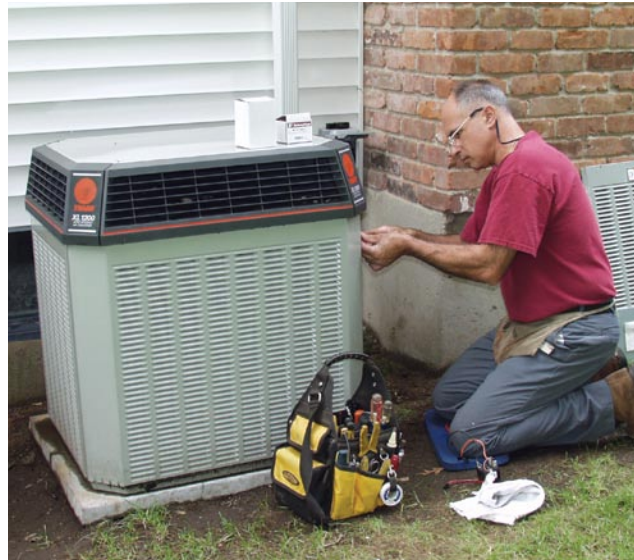

Any additional parts or services are offered at a discount off our standard prices. Plan holders receive Preferred Service Scheduling. Homeowners are requested to schedule their one annual Tune-Up between April 10th and June 15th. Daniels Oil provides comprehensive installation and service of all types of air conditioning systems and proudly features equipment by Trane.

## The Full Season

You receive all the benefits of the **Spring Starter** PLUS you will have coverage on the following parts.

- Blower Motor
- Blower Pulley & Belt
- Condensate Pump
- Condensor Motor
- Condensor Fan
- Electrical Contactor
- Fan Relay
- High Pressure Control
- Low Pressure Control
- Potential Relay
- Run Capacitor
- Start Capacitor
- Standard Thermostat
- Sub-Plate Thermostat
- Transformer

Labor is included to replace listed parts during normal business hours. A discount for after hours labor will apply. Full Terms and Conditions are on reverse side.

## High Efficiency Systems

An A/C System that runs properly is more efficient, gives you more comfort, and uses less electricity! Consider an XL Series for Super High Efficient Operation.

*It's Hard To Stop A Trane.®*

*Variable Speed Air Handlers offer greater dehumidification, quiet operation, and higher efficiency.*

*Air Purification Systems offer better indoor air quality for your home.*

**DANIELS OIL CO., INC. TERMS & CONDITIONS  
OF AIR CONDITIONING COMFORT PLANS**

A) Holders of a Central Air Conditioning Maintenance/Service Plan shall schedule their Annual Tune-up during our normal working hours.

B) Coverage for parts is limited to the listed parts only. Any part or service not listed is not covered by these plans, and offered at our standard list pricing less any applicable discounts.

C) We reserve the right to inspect and approve equipment before extending coverage. Any pre-existing conditions are not covered by these plans. Any work performed prior to approval of plan can not be credited.

D) The Company shall not be responsible for any service or repair resulting from conditions beyond its control (such as strikes, war, flood, hurricane, power failure, carelessness or negligence on the part of customer, inability to secure technicians or parts, acts of God or any other cause outside of its control).

E) Customer is responsible to make sure switches are "turned on," thermostat set below room temperature, and circuit breakers are "turned on" before calling for service.

F) Refrigeration piping and connections are not covered. Condensate piping is not covered, nor is water or consequential damage.

G) This plan runs for one year from date of purchase. Plan must be paid in full prior to services being performed.

H) The Company shall not be responsible for repair or replacement of obsolete or unavailable parts or equipment no longer manufactured. Replacement of equipment because of unavailability of parts is the customers responsibility.

I) Unless the customer, at least 30 days prior to contract anniversary date of each year, notifies the Company in writing of its desire to terminate these Plans on such date, these Plans shall renew themselves as of contract anniversary date of each year. The Company shall have the right to cancel these Plans without any liability when issued in error.

## About Our Service Staff...

All of the service staff members at Daniels Oil take pride in their craftsmanship and ability to get the job done right the first time! Our service staff members are all trained at state approved heating and air conditioning schools, and then licensed by the state, and all are fully insured. Daniels technicians will arrive at your home neatly dressed, clean, and in a marked Daniels Oil service vehicle. Our staff members have the highest respect for your personal property, and can be trusted to act properly and courteously when in your home. This is something Daniels Oil takes very seriously. As always, we welcome your questions and suggestions so we can continue to improve our services, and we encourage you to write or call us any time you have a question concerning your heating or cooling needs.
